GVMPA!

GVMPA provides advocacy, service, and financial support to music students and their teachers in all vocal and instrumental programs in the Great Valley School District. We are a private, non-profit organization (separate from the school district) comprised of parents and guardians of GV music

students. We serve 800+ students in 6 schools participating in 20+ ensembles, including marching, jazz and concert bands, choirs, symphony and string orchestra, indoor percussion and color guard. We hold general member meetings almost every month of the school year. If your child participates in any Great Valley music program, you are a voting member of GVMPA - **Welcome!**

Student Fundraising Account:

GVMPA offers students the opportunity to fundraise for their own personal music needs. Through fundraisers, students accumulate funds in their account that can be used for music department trips, uniform and formal wear rental, the purchase of instruments, music lessons, tuition for a private program or camp, or anything else that furthers their music education.

**Information on timing, student benefits, and order forms can be found on GVMPA.org. Information will also be shared through newsletters and emails.*

Parent Support:

Parent support is critical to our success and there are many ways to lend a hand:

Volunteer - opportunities include working at the Snack Shack during GV Football games, chaperoning events, providing meals, helping transport music equipment for football games and competitions, and serving on committees, among many other opportunities.

Support Fundraisers - attend the annual Designer Bag Bingo event, purchase Spirit Wear, 50/50 Raffles and Spring Raffle tickets, secure corporate sponsorships, and more.

Make a donation - Your annual individual donation is especially needed and greatly appreciated!
